POST-IT NUMBER MATCH

Kindergarten S.T.E.M. - Due April 1st, 2020

Print out or copy the following two pages. Tape them together. Have your children write the numbers onto post-its and match them with the dot arrangements. They are counting the dots. Email me a photo of them completing this in progress.

Materials:

- Tape (You don't need to tape it to a wall, but tape the pages together to make a larger sheet)
- Post-its (You can substitute it for small pieces of paper. Do not go out during quarantine just for supplies)
